Bachelor of Science in **Computer Science, Web and Mobile Software Development**  
**Oregon State University – Cascades**, Bend, OR

GPA: 3.15  
Expected Graduation: June 2021

## Technical Skills

C++, JavaScript, Python, Java, PHP, SQL, Node.js, AWS, MongoDB, Android Development Studio, Visual Studio, GitHub, Ruby, Linux, VIM, MS Excel

## Related Courses

Computer Science I & II, Technical and Professional Writing, JavaScript for Web Development I & II, PHP Web Development I & II, Java Programming I & II, Data Modeling in SQL, Mobile Application Programming, Introduction to Linux, Software Design, Web Development, Computer Architecture and Assembly Language

## Related Projects

**Web Development**, OSU-Cascades, Bend, OR April – May 2019

- Worked with a partner to build a website that stores and computes form information on a MONGO database
- Built the front-end of the website with html and JavaScript
- Site communicates with the MONGO Server using jQuery's Ajax methods
- Hosted the MONGO server with Amazon Web Services

**Computer Architecture and Assembly Language**, OSU-Cascades, Bend, OR January – March 2019

- Collaborated with team on marker boards to efficiently conceptualize, plan and organize a project
- Built a computer from first principles
- Started with NAND gates to build the necessary logic gates up to an arithmetic logic unit; used the ALU to add and subtract binary numbers
- Used assembly language and Python to build an assembler and from there, built an operating system and Tetris

**PHP Web Development**, Portland Community College, Portland, OR January – March 2016

- Collaborated with team to design and plan out the project
- Built a bookmarklet that allows the user to check any websites accessibility according to WCAG standards
- Wrote a combination of PHP and SQL to communicate with the database and retrieve information

## Work Experience

**Student Worker, OSU-Cascades Library**, Bend, OR

October 2018 – Current

- Collaborate with my team to create a welcoming and productive environment
- Collect and manipulate Excel spreadsheets into presentable forms

**Customer Service Representative, Miracle Greens Dispensary**, Bend, OR
